

VIDYARTHI VIGYAN MANTHAN (VVM) is a science based examination under the initiative of Vijnana Bharati (VIBHA), in collaboration with National Council of Educational Research and Training (NCERT), an institution under the Ministry of Education, Government of India and National Council of Science Museums (NCSM), an autonomous society under the Ministry of Culture, Government of India.

VVM is an international program designed for students of standard VI to XI, to identify and nurture highly talented students with a scientific aptitude. This initiative aligns with the National Education Policy (NEP) and aims to instil a sense of scientific heritage and temper in school students.

The main objectives of the VVM examination are:

1. To create interest among students in basic science.
2. To educate school children about India's contributions to the world of science and technology, from the traditional to the modern age.
3. To provide hands-on learning to students through experimental skill tests.
4. To conduct competitive exams to identify students who have a scientific bent of mind.
5. To provide mentors for preparing students to carry forward their education in the field of science.
6. To identify successful students at the State and National levels and felicitate them.

7. To organise exposure visits for the winners to various R&D institutions in the country.
8. To identify and nurture scientific aptitude through its unique scholastic aptitude test.

The examination will be conducted in English, Hindi, Tamil, Telugu, Kannada, Malayalam, Marathi, Gujarati, Punjabi, Bengali, Odia, Assamese, Sanskrit and Urdu (major regional languages).

SCHOOL LEVEL ONLINE EXAMINATION (CLASS WISE): LEVEL-I

The Level – I school level examination will be of 1 hour 30 minutes duration with 100 multiple choice questions - each weighted for one mark. Examination will consist of two segments viz.

Section-A: comprising 40 questions from study material Indian Contributions to Science and Life Story of Dr. Satyendra Nath Bose (to be provided by Vijnana Bharati) & **Section-B:** comprising 60 questions based on the VVM Syllabus (Based on Text Books of NCERT & various State Boards Curriculum) & Logic and Reasoning (open source). A detailed syllabus is provided on VVM's website.

SCHOOL LEVEL ONLINE EXAMINATION (CLASS WISE): LEVEL-II

The Level - II school level examination will last for 45 minutes and will consist of 60 multiple choice questions (MCQs), each with multiple correct answers. Each question is worth 2 marks, and incorrect answers will incur a penalty of 0.5 marks (negative marking). The examination has two sections viz. **Section-A:** comprising 15 questions based on the study material covering "Indian Contributions to Science" and the life story of Dr. Satyendra Nath Bose & **Section-B:** comprising 35 questions that align with the VVM Syllabus, taking content from NCERT textbooks, various state board curriculum, and incorporating questions related to logic and reasoning from open sources.

STATE LEVEL CAMP (SLC)

Level 3: Top 25 rankers from each class for every state will be identified to participate in the one or two-day State Level Camp (SLC). The camp will be organised at any location within the state. State Level Camp will consist of Application-Oriented Multiple Choice Questions, Hands-On Activities, Observation and Analysis, Situational Problem Solving Ability and a series of other activities.

NATIONAL CAMP (NC)

Level 4: The top two students from each class, i.e. total of 12 students from each state, will be invited to a two-day National Camp. National Camp (NC) will consist of Presentations, Activities to test Scientific Understanding, Innovation, Creativity, Out-of-Box Thinking and Assessment of Leadership Quality, in addition to the experimental skills tests.

SRIJAN

Vidyarthi Vigyan Manthan 2025-26 edition will provide an opportunity to participate in an Extensive Training cum Internship (1 to 3 weeks) National (Himalayans) and Zonal Winners in any one of the reputed national labs or premier research institutions like DRDO, ISRO, CSIR, BARC etc.

BHASKARA SCHOLARSHIP

Vidyarthi Vigyan Manthan will provide Bhaskara Scholarship of Rs. 2000/- per month to the National Winners (Himalayans) for one year. A specific project/activity will be assigned to every Himalayan at the end of the SRIJAN program. The scholarship will be released quarterly on the basis of assessment by the student engagement team.

VVM offers unique opportunities for participants, including:

Experiential learning and hands-on activities

Know the rich heritage of India's scientific contributions

Fostering national pride through the Indian Knowledge System

Peer evaluation and review

Comprehensive 360-degree assessment

Meet brilliant peers from across the nation and learn from them

Mentorship from renowned scientists and academicians

Visits to national laboratories (ISRO, CSIR, DRDO, IITs, IISERs, NITs, etc.)

Personality development and leadership skills in science

Holistic development of the child

Identification of personal strengths for career development

Developing willingness to serve society
